

God is good and loving. Just when I was going through a spiritual dryness in my journey with our Lord, I told my colleague, Brother Aloysius Chan "I want to come to your church!" The rest is now history. I have attending Church of Sengkang for the last 6 months and I am enjoying every moment with my Lord.

I will remember August 2, 2009, 10.30am. That day I had my first footprint in this ulu Church of Sengkang. It was truly a wonderful moment for me, I love the warm welcome by the brethren at the door. What really amazed me were the sky-like ceilings. It feels like seeing God from above! I had never expected a church to be located in a country club despite its location where not many people know of this ulu punggol road. I simply love every moment in Church of Sengkang. The size of the church doesn't matter. What really matters is our relationship with our Lord. In Church of Sengkang, I felt so much closer to our Lord as I can sit down to enjoy His Presence through the Preaching of His Words and I love the praise & worship with a singleness of heart.

And of course, I want to thank the Life Group and Pastor David Kerk, who have given me so much love and care just as I am almost drifting away from our Lord. Everyone in cosk is God's blessing to me. I have learned so much that "Only By Grace" I am still loving and serving Him. Just when I am dry, God came to fill up my cup overflowing with joy and love. I have come to know He is ever faithful and is more able than to meet our needs if we are ready to let Him lead us. I have found Jesus as our Good Shepherd, and we are His sheep and He knows when to lead us to His green pastures. I believe God is in this House, Church of Sengkang. He is here to stay and if you ever feel God seems a distance, guess who has moved! Beloved, do not give up on HIM for He will never abandon nor forsake you! Let me end my testimony with Psalm 34:8 "O taste and see that the LORD is Good"

I Am BACK to My LORD Cosk Has Been A Blessing To Me!

Jesus Is My Good Shepherd
Sis Angeline Ng's Testimony
